COMBINING ANCIENT SKILLS  
AND TECHNICAL EXPERTISE,  
WE PROCESS ALL TYPES OF LEATHER  
TO CREATE UNIQUE FURNISHINGS  
WITH UNRIVALLED ELEGANCE  
IN EVERY DETAIL.

In our more than 40 years of  
experience, we have developed all  
kinds of techniques to process leather  
and hides. With their expertise,  
our craftsmen preserve the softness  
and natural warmth that give leather  
furniture its tactile appeal.  
The most traditional processing  
techniques handed down from  
generation to generation are enhanced  
by attention to every detail and the  
incorporation of new technologies.

HANDSEWN  
SEAMS

HOT STAMPING

## INTERLACING

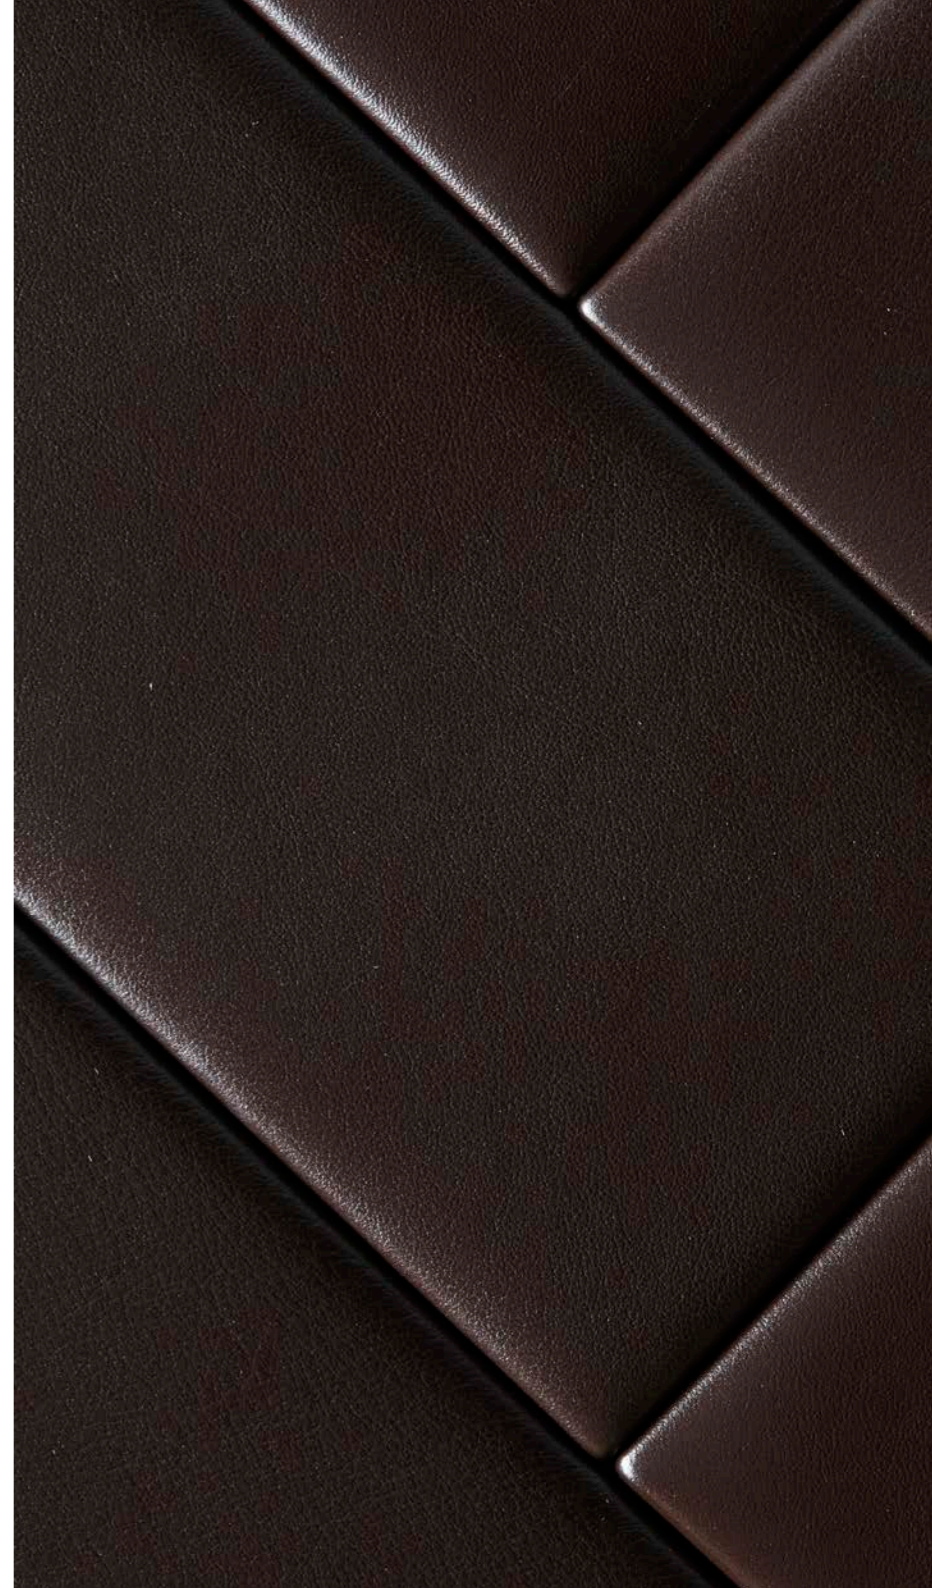

Leather ribbons are interlaced to create a fabric with an even warp and weft. Skilled hands follow a specific pattern to create the perfect design.
